WELCOME TO STOCKHOLM

Dear Athletics Friends,

Welcome to Stockholm and BAUHAUS-galan, one of the stops on the IAAF Diamond League circuit. We are proud to present a top-class athletics' meeting with a lot of interesting global and Swedish stars!

Our staff are keen to offer a professional and high level of media service. Please don't hesitate to ask if you have any questions.

The Stockholm Olympic Stadium holds the world record for the arena with the most world records: 83 of them. We are proud of this stadium and its 105 years old history even if there are some practical challenges running a modern meet in such an old stadium. However, we believe it's more than worth it to experience world-class athletics in this classic arena.

In this media information we hope that you will find all the practical information you need but we are available to assist you with any further questions you may have. Once again, welcome to BAUHAUS-galan, a part of the great IAAF Diamond League!

Kind Regards,

John-Eric Ericsson

Within Stockholm Olympic Stadium there will also be a wireless network available in the media tribune, media center, mixed zone and press conference area. To access the network, you will receive login details.

MEDIA CENTER

Sub-media center

The sub-media center is located at the official meeting hotel, Scandic Ariadne, Södra kajen 37. It will be found at the conference floor near the reception area (first floor). The sub-media center will be opened from Friday June 16, but only staffed during the opening hours below. During the press conference, the sub-media center will temporarily move to the Stockholm Olympic Stadium. Please be aware of the opening hours below for the different locations. During the press conference the Welcome desk at the hotel can help you with your accreditations.

Opening hours (staffed)

Friday June 16, 3 pm - 7 pm, Scandic Ariadne

Saturday June 17, 10.00 am - 6 pm, Stockholm Olympic Stadium

Saturday June 17, 7.30 pm - 10 pm, Scandic Ariadne

Main-media center

The main-media center is located at the Stockholm Olympic Stadium.

Opening hours

Sunday June 18, 12 pm - end of meeting

MEDIA TRIBUNE

You will be assigned a specific seat in the media tribune. The media tribune is a temporary stand to accommodate you in the best possible way. There are certain limitations when working with a stadium that is 100 years old and this has been introduced as a measure to improve the situation for media from previous meets. The media tribune is located after the finish line.

MIXED ZONE

All interviews with the athletes should take place in the mixed zone. In the case of a world record or other extraordinary event, a press conference may be held and you will be informed. You will reach the mixed zone through the media tribune.

PHOTOGRAPHERS

Tommy Holl (mobile. +46 70 318 94 33) is our photo chief during BAUHAUS-galan. He will be assigning people to the infield and setting the various photo zones. A photo briefing will be held at 1 pm (13.00) in Stockholm Olympic Stadium on Sunday June 18 in the photo room. There will be signposts to the photo room and plenty of personnel on hand that can direct you there if necessary.

It's worth noting that there will be a 'no go' zone right after the finish line and about 30 m beyond it. We will have someone ensuring that this zone is kept free but do bear it in mind in advance.

For those of you who are taking shots from the stands, it's also worth reminding you that the places to stop and sit and take a shot are those where there are no spectators being obstructed from their view.

PRE-EVENT PRESS CONFERENCE

A series of press conferences will take place on Saturday June 17 from 12.30 pm until around 3.00 pm at the Stockholm Olympic Stadium. Detailed schedule and attending athletes will be sent to accredited media representatives before the press conference.

When exit the station, take a walk for approximately 10 minutes, head for the ferry terminal, see map at our website (<https://stockholm.diamondleague.com/en/media/info/>). way to get to Stockholm Olympic Stadium via public transport. Take the red line to Mörby Centrum from Stockholm Central Station and get off at STADION. Take the exit that is closest to the front of the train and you'll find yourself right outside the stadium. The journey takes around 4 minutes from The Central Station (T-Centralen).

Taxi

We recommend you to choose some of the larger taxi companies in Stockholm:

WEATHER

Stockholm in the summer can provide many warm and pleasant evenings but there are no guarantees. We're in Scandinavia after all and those northern latitudes can result in cool evenings. A good tip is to make sure you have a warm top with you in case the temperatures fall.
