## HOW DO I ACCESS THE PLATFORM?

When you first access the Virtual Mixed Zone (<https://diamondleague.virtualmixedzone.com/>), you will be prompted to enter a password.

The screenshot shows a dark blue background with the Diamond League logo at the top center. Below the logo is a white rectangular login form. Inside the form, there is a label 'Password' above a text input field. Below the input field is a checkbox labeled 'Remember Me'. To the right of the checkbox is a blue button with the text 'Log In'.

This password is:

StockholmVMZ21

It is recommended that you select the “remember me” box. This will ensure the website remembers your device for the next 14 days unless you disable and clear your cookies.

## WHAT IS AVAILABLE?

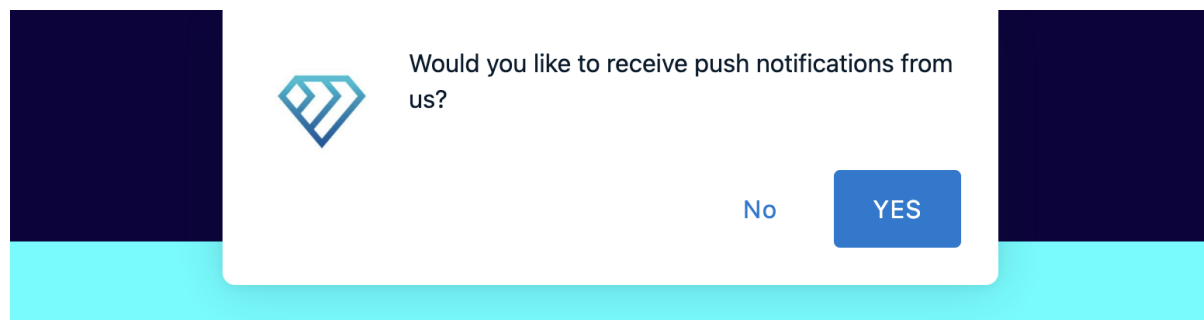

The Virtual Mixed Zone has:

- A live feed from the mixed zone with video and audio.
- A form to send in questions to the interviewer.
- Push notifications to let you know when an athlete is approaching.
- Recorded clips that contain segments of the interviews with a download link.

## HOW DO I GET PUSH NOTIFICATIONS?

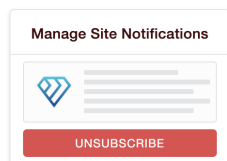

If you want push notifications, you should enable these on the website.

The first time you open the site, a pop-up will ask you if you wish to receive them. Please click yes and then follow the instructions given by your browser.

Once you have entered the password, you will be met with the Virtual Mixed Zone home page, which includes a live feed of the mixed zone with both video and audio. There are tabs for each part of the media coverage that will use the Virtual Mixed Zone.

This player contains a DVR enabling you to rewind should you miss something, however, a team will be clipping these interviews to make downloadable content for you afterwards. This usually takes around 5 minutes.

## HOW DO I SUBMIT QUESTIONS?

Below the live feed is a form to allow you to submit questions to the interviewer. Any submitted questions are asked at the discretion of the interviewer.
